

## Relationships Education, Sex Education and Health Education Policy

This policy has been written for specific use within St Peter and St Paul CE Primary School. Today's children are growing up in an increasingly complex world and living their lives seamlessly including online. This presents many positive and exciting opportunities, but also challenges and risks. We want to support all children to be happy, healthy and safe. We want to equip them with tools for their life and to make a positive contribution to society.

At St Peter & St Paul CE Primary School, we are distinctively Christian in our ethos and outlook and are inclusive of all. At the heart of our school are our Christian values. We welcome those of all faiths and none to shine their lights brightly, celebrating joys, failures and successes in partnership with parents and the community.

The fundamental principles underpinning our policy are our Christian values of:

**Courage, Respect, Forgiveness, Hope, Kindness and Fairness.**

### Introduction

From September 2020, Relationships Education is compulsory for all primary schools as set out in the DfE Guidance (2019). For all maintained schools there is also a statutory duty to provide Health Education. This includes primary aged children learning about the '*changing adolescent body*', included in the expected outcomes for primary Health Education. (Relationships Education, Relationships and Sex Education, and Health Education, DfE, 2019).

RSHE plays a very important part in fulfilling the statutory duties all schools have to meet. RSHE helps children understand the difference between safe and abusive relationships and equips them with the skills to get help if they need it. It also teaches them about the importance of a healthy lifestyle and positive mental health, about online and off line safety. Schools have responsibilities for safeguarding and a legal duty to promote pupil well-being (Education and Inspections Act 2006 Section 38).

### Relationships, Sex and Health Education (RSHE)

Relationship Education - Pupils will be taught the fundamental building blocks and characteristics of positive relationships, with particular reference to friendships, family relationships, and relationships with other children and with adults.

Throughout the primary phase pupils should know and be taught about;

- Families and people who care for us
- Caring friendships
- Respectful relationships
- Online relationships
- Being safe

Health Education - Pupils will be taught about the benefits and importance of daily exercise, good nutrition and sufficient sleep, and giving pupils the language and knowledge to understand the normal range of emotions that everyone experiences.

Throughout the primary phase pupils should know and be taught about;

- Mental wellbeing

- Internet safety and harms
- Physical health and fitness
- Healthy eating
- Drugs, alcohol and tobacco
- Basic first aid
- Health and prevention
- Changing adolescent body

Sex Education- contained in National Curriculum science (Key Stages 1–4) is compulsory in maintained schools.

- ‘All children, including those who develop earlier than average, need to know about puberty before they experience the onset of physical changes’ (1.13)
- Children should learn ‘how a baby is conceived and born’ before they leave primary school (1.16)

### Jigsaw RSHE Content

In our school we choose to deliver RSHE using Jigsaw, the mindful approach to PSHE.

We are confident that the Jigsaw Programme covers all aspects of Relationships, Sex and Health Education (RSHE) within the context of a full PSHE programme in an age-appropriate way.

The grid below shows specific RSE content for each year group:

<i>Age</i>	
4-5	Family life; making friends; falling out and making up; being a good friend; dealing with bullying; growing up -how have I changed from baby to now; bodies (NOT including names of sexual parts); respecting my body and looking after it e.g. personal hygiene.
5-6	Recognising bullying and how to deal with it; celebrating differences between people; making new friends; belonging to a family; being a good friend; physical contact preferences; people who help us; qualities as a friend and person; celebrating people who are special to me; life cycles – animal and human; changes in me; changes since being a baby; differences between female and male bodies (correct terminology: penis, vagina, testicles, vulva); respecting my body and understand which parts are private.
6-7	Assumptions and stereotypes about gender; understanding bullying; standing up for self and others; making new friends; gender diversity; celebrating difference and remaining friends; learning with others; group co-operation; different types of family; physical contact boundaries; friendship and conflict; secrets (including those that might worry us); trust and appreciation; expressing appreciation for special relationships; life cycles in nature; growing from young to old; increasing independence; differences in female and male bodies (correct terminology); assertiveness; appreciate that some parts of my body are private.
7-8	Seeing things from others’ perspectives; Families and their differences; family conflict and how to manage it (child-centred); witnessing bullying and how to solve it; homophobic bullying; recognising how words can be hurtful; giving and receiving compliments; respect for myself and others; healthy and safe choices; family roles and responsibilities; friendship and negotiation; keeping safe online and who to go to for help; being aware of how my choices affect

Others; awareness of how other children have different lives; expressing appreciation for family and friends; how babies grow; understanding a baby's needs; outside body changes at puberty; inside body changes at puberty; family stereotypes.

8-9 Challenging assumptions; judging by appearance; accepting self and others; understanding influences; understanding bullying including the role of the bystander; problem-solving in relationships; identifying how special and unique everyone is; first impressions; working in a group; celebrating contributions of others; healthier friendships; group dynamics; assertiveness; peer pressure; celebrating inner strength; jealousy; love and loss; memories of loved ones; getting on and falling out; girlfriends and boyfriends; showing appreciation to people and animals; being unique; having a baby (simple explanation of conception); girls and puberty; boys and puberty; confidence in change; accepting change.

9-10 Cultural differences and how they can cause conflict; racism; rumours and name-calling; types of bullying; enjoying and respecting other cultures; body image; self-recognition and self-worth; building self-esteem; safer online communities; rights and responsibilities online; online gaming and gambling; reducing screen time; dangers of online grooming; SMARRT internet safety rules; Self and body image; influence of online and media on body image; puberty for girls; puberty for boys; conception (including IVF); growing responsibility; coping with change.

10-11 Children's universal rights; feeling welcome and valued; choices, consequences and rewards; group dynamics; democracy, having a voice; anti-social behaviour; role-modelling; perceptions of normality; understanding disability; understanding what transgender means; power struggles; understanding bullying; inclusion/exclusion; difference as conflict; difference as celebration; empathy; exploitation, including 'county-lines' and gang culture; love and loss; managing feelings; power and control; assertiveness; technology safety; responsibility with technology use; self-image, body image; puberty and feelings; conception to birth; reflections about change; physical attraction; respect and consent; boyfriends/girlfriends; sexting.

### Jigsaw's Health Education Content

The grid below shows specific Health Education content for each year group:

Age

4-5	Understanding feelings; Identifying talents; being special; challenges; perseverance; goal-setting; overcoming obstacles; seeking help; physical activity; healthy food; sleep; keeping clean; being safe; respecting my body; growing up; growth and change; fun and fears; celebrations.
5-6	Feeling special and safe; rewards and feeling proud; consequences; setting goals; identifying successes and achievements; tackling new challenges; identifying and overcoming obstacles; feelings of success; keeping myself healthy; healthier lifestyle choices (including oral health); keeping clean; being safe; medicine safety/safety with household items; road safety; linking health and happiness; people who help us; changes in me; changes since being a baby; linking growing and learning; coping with change.

6-7	Hopes and fears for the year; recognising feelings; achieving realistic goals; perseverance; motivation; healthier choices; relaxation; healthy eating and nutrition; healthier snacks and sharing food; growing from young to old.
7-8	Self-identity and worth; positivity in challenges; responsible choices; giving and receiving compliments; difficult challenges and achieving Success; dreams and ambitions; new challenges; motivation and enthusiasm; recognising and trying to overcome obstacles; evaluating learning processes; managing feelings; simple budgeting; exercise; fitness challenges; food labelling and healthy swaps; attitudes towards drugs; keeping safe and why it's important online and off line; respect for myself and others healthy and safe choices; body changes at puberty.
8-9	What motivates behaviour; rewards and consequences; accepting self and others; understanding influences; hopes and dreams; overcoming disappointment; creating new, realistic dreams; achieving goals; resilience; positive attitudes; healthier friendships; group dynamics; smoking; alcohol; assertiveness; peer pressure; celebrating inner strength; jealousy; love and loss; memories of loved ones; body changes at puberty.
9-10	Being a citizen; rights and responsibilities; rewards and consequences; how behaviour affects groups; democracy, having a voice, participating; material wealth and happiness; future dreams; the importance of money; jobs and careers; dream job and how to get there; goals in different cultures; supporting others (charity); motivation; smoking, including vaping; alcohol; alcohol and anti-social behaviour; emergency aid; body image; relationships with food; healthy and safe choices; motivation and behaviour; changes in the body at puberty.
10-11	Choices, consequences and rewards; group dynamics; democracy, having a voice; emotions in success; making a difference in the world; motivation; recognising achievements; compliments; taking personal responsibility; how substances affect the body; exploitation, including 'county lines' and gang culture; emotional and mental health; managing stress; mental health; identifying mental health worries and sources of support; love and loss; managing feelings; power and control; assertiveness; technology safety; take responsibility with technology use; self-image; body image; impact of media; discernment; puberty; reflections about change; respect and consent.

How is Jigsaw organised in school?

Jigsaw brings together PSHE Education, emotional literacy, social skills and spiritual development in a comprehensive scheme of learning. Teaching strategies are varied and are mindful of preferred learning styles and the need for differentiation. Jigsaw is designed as a whole school approach, with all year

groups working on the same theme (Puzzle) at the same time. This enables each Puzzle to start with an introductory assembly, generating a whole school focus for adults and children alike.

Each Piece (lesson) has two Learning Intentions: one is based on specific PSHE learning (covering the non-statutory national framework for PSHE Education and the statutory Relationships and Health Education guidance, but enhanced to address children's needs today); and one is based on emotional literacy and social skills development to enhance children's emotional and mental health. The enhancements mean that Jigsaw, the mindful approach to PSHE, is relevant to children living in today's world as it helps them understand and be equipped to cope with issues like body image, cyber and homophobic bullying, and internet safety. Jigsaw lessons will be taught weekly by a member of the teaching team.

### Big Talk

Alongside the delivery of RSHE through Jigsaw, the children will take part in a big talk 'Growing up Safe' workshop in the Autumn term. Each session is delivered in an age appropriate way and will cover aspects of RSHE.

Parents are invited to an information meeting before the workshops are held in school and the parents have the right to withdraw their child from this workshop if they wish to do so.

### Safeguarding

Teachers need to be aware that sometimes disclosures may be made during Jigsaw lessons; in which case, safeguarding procedures must be followed immediately. Sometimes it is clear that certain children may need time to talk one-to-one after the lesson closes. It is important to allow the time and appropriate staffing for this to happen. If disclosures occur, the school's safeguarding policy is followed.

### Equalities

The Equality Act 2010 covers the way the curriculum is delivered, as schools and other education providers must ensure that issues are taught in a way that does not subject pupils to discrimination. Schools have a duty under the Equality Act to ensure that teaching is accessible to all children and young people, including those who are lesbian, gay, bisexual and transgender (LGBT). Inclusive RSHE will foster good relations between pupils, tackle all types of prejudice – including homophobia – and promote understanding and respect. The Department for Education has produced advice on The Equality Act 2010 and schools (DfE, 2014b).

Schools have a legal duty to promote equality (Equality Act, 2010) and to combat bullying (Education Act, 2006) (which includes homophobic, sexist, sexual and transphobic bullying) and Section 4.2 of the national curriculum (2014) states "Teachers should take account of their duties under equal opportunities legislation that covers race, disability, sex, religion or belief, sexual orientation, pregnancy and maternity, and gender reassignment."

### Differentiation/SEN

Jigsaw is written as a universal core curriculum provision for all children. Inclusivity is part of its philosophy. Teachers will need, as always, to tailor each Piece (lesson) to meet the needs of the children in their classes.

## Religion

The content of RSHE must be taught sensitively and inclusively, with respect for the backgrounds and beliefs of children and parents, while always with the aim of providing children with the knowledge they need to prepare them to play a full part in society as responsible adults.

## Teaching Sensitive and Controversial Issues

Sensitive and controversial issues are certain to arise in learning from real-life experience. Teachers will be prepared to handle personal issues arising from the work, to deal sensitively with, and to follow up appropriately, disclosures made in a group or individual setting. Issues that we address that are likely to be sensitive and controversial because they have a political, social or personal impact or deal with values and beliefs include: family lifestyles and values, physical and medical issues, financial issues, bullying and bereavement.

Teachers will take all reasonable, practical steps to ensure that, where political or controversial issues are brought to pupils' attention, they are offered a balanced presentation of opposing views. Teachers will adopt strategies that seek to avoid bias on their part and will teach pupils how to recognise bias and evaluate evidence. Teachers will seek to establish a classroom climate in which all pupils are free from any fear of expressing reasonable points of view that contradict those held either by their class teachers or their peers.

## Answering Difficult Questions and Sensitive Issues

Staff members are aware that views around RSHE-related issues are varied. However, while personal views are respected, all RSHE issues are taught without bias using Jigsaw. Topics are presented using a variety of views and beliefs so that pupils are able to form their own, informed opinions but also respect that others have the right to a different opinion.

Both formal and informal RSHE arising from pupils' questions are answered according to the age and maturity of the pupil(s) concerned. Questions do not have to be answered directly, and can be addressed individually later. The school believes that individual teachers must use their skill and discretion in this area.

## Withdrawal from RSE lessons

Parents/carers have the right to withdraw their children from Sex Education provided at school except for those parts included in statutory National Curriculum Science and that included within Statutory Relationships and Health Education. Those parents/carers wishing to exercise this right are invited in to see the head teacher and/or Jigsaw Lead in school who will explore any concerns and discuss any impact that withdrawal may have on the child. Once a child has been withdrawn they cannot take part in the **specific sex education lessons** until the request for withdrawal has been removed. Materials are available to parents/carers who wish to supplement the school sex education programme or who wish to deliver sex education to their children at home. **Parents and carers cannot withdraw from any aspect of Relationships Education and also in maintained schools, Health Education lessons covering the changing adolescent body (puberty).**

RSHE has clear links with other school policies aimed at promoting pupils' spiritual, moral, social and cultural development, including the:

- PSHE Policy
- Anti-Bullying Policy

- Behaviour Policy
- Confidentiality Policy
- Drug and Alcohol Education Policy
- Equal Opportunities Policy
- Health and Safety Policy
- ICT Policy and Safe Internet Use Policy
- Inclusion Policy
- RE Policy
- Safeguarding/Child Protection Policy
- SMSC Policy
- Special Educational Needs Policy

RSHE also has clear links with publications produced by The Church of England Education Office:

- Valuing All God's Children –Guidance for Church of England schools on challenging homophobic, biphobic and transphobic bullying. Second Edition, Summer 2019
- Mental health and Wellbeing- Towards a Whole School Approach, March 2018

### Involving parents and carers

The school believes that it is important to have the support of parents, carers and the wider community for the Jigsaw PSHE programme. Parents and carers are/will be given the opportunity to find out about and discuss the Jigsaw PSHE programme through:

- \* Parent/carer Jigsaw awareness session
- \* Parents'/carers' evenings
- \* Involvement in policy development
- \* Involvement in curriculum development
- \* Information leaflets/displays

### The role of the Headteacher and Governing body

It is the responsibility of the Governors to ensure that as well as fulfilling their legal obligations, the governing body should also make sure that:

- all pupils make progress in achieving the expected educational outcomes in regard to RSHE;
- RSHE is well led, effectively managed and well planned;
- the quality of RSHE provision is subject to regular and effective self-evaluation;
- teaching is delivered in ways that are accessible to all pupils with SEND;
- clear information is provided for parents on the subject content and the right to request that their child is withdrawn; and,
- the subjects are resourced, staffed and timetabled in a way that ensures that the school can fulfil its legal obligations

The headteacher liaises with external agencies regarding the school RSHE programme and ensures that all adults who work with children on these issues are aware of the school policy, and that they work within this framework. The headteacher monitors this policy on a regular basis and reports to governors, when requested, on the effectiveness of the policy.

Sue Rowbottom the governor with responsibility for RSHE

### Monitoring and evaluation

The PSHE leader, Miss Burman will monitor delivery of the programme through observation and discussion with teaching staff to ensure consistent and coherent curriculum provision.

Evaluation of the programme's effectiveness will be conducted on the basis of:

- Pupil and teacher evaluation of the content and learning processes
- Staff meetings to review and share experience

### Monitoring and Review

The School Development Committee of the governing body monitors the RSHE policy on an annual basis. This committee reports its findings and recommendations to the full governing body, as necessary, if the policy needs modification.

The School Development Committee gives serious consideration to any comments from parents about the sex education programme, and makes a record of all such comments.

### Girl's understanding of sanitary products and disposal in school

As part of lessons on puberty girls will be made aware of the procedures in place for accessing and the safe disposal of sanitary products. The school is aware that period poverty can be an issue for some pupils, and will to the best of its ability ensure that girls have access to appropriate sanitary products during school time.

### **Policy Review**

This policy is reviewed annually.
