### Interfaith Week

This week we have enjoyed our interfaith week in school. We have enjoyed various activities during the week including a Hindu workshop for KS1, talks on Humanism for Y3/4, and Y6 attending the Church Festival at Lincoln Cathedral. The week also included a Pentecost Wow day for the children to enjoy with various art and language activities. We really hope that the week was not only enjoyable for the children but will also help equip them with important knowledge, understanding and tolerance for a variety of beliefs and faiths that they will come across whilst living in a multicultural society.

### Wanted! Stamps for Charity Club

Charity club are collecting used postage stamps for Bransby Horses rescue sanctuary. If you have any or could save some for us, it would be much appreciated. Please send them in to the school office or give them to Miss Tomlin.

### Music Lessons

If your child is interested in taking up music lessons next year (current Y2-Y5) we have a number of different instruments on offer. Please refer to the recent letter and Google Form to complete to show expression of interest for the lessons. ### Phonics Screening and MTC

This term, there will be the Y1 phonics screening and the Y4 multiplication checks in school. If your child is in one of these year groups, please refer to the dates below to find out when your child will be undertaking these national screening checks and ensure they are in school for these times.

### Google form for new classes

Our class organisation for September 2026/2027 will be open until **Sunday 31<sup>st</sup> May** – **please make sure you complete it to ensure your child is placed with one of their friends.** Please think carefully about your child's friendship group and ASK THEIR OPINION when filling in this form. The choices on the form will be taken into account and your child will have at least 1 of their choices - this won't necessarily be their first choice friend. We arrange our classes based on social needs not academic ability. If your child is currently in a mixed year group class - please be mindful that you only choose pupils in your child's year group.

### Mindfulness in half term – see advert below from Study United:

We want to help you maintain good mental health and wellbeing, so first we will provide you with breathing techniques to use when you are feeling stressed or anxious, we will practise these together. You will be able to explore various activities, making things to take home e.g. stress balls, breathing buddies and journals. We will take a wellbeing walk around the Scunthorpe United football stadium, while being mindful and noticing our surroundings. To end the session we will take part in fun, simple yoga, linking our physical health to our mental health.
