GOOGLE CLASSROOM

All children from Year 1 to Year 6 have access to Google Classroom. The older children are confident in using this, as this is where lessons took place during lockdowns. Homework is now on Google Classroom for Y1 to Y6 weekly. If you need any help logging on please arrange for a meeting with Mrs Winfield on Wednesday – Friday, when she is not in class. Please log in via the school website, your log in details are the same as the TT Rockstars log in.

PARKING

Can I please remind you of our Parking Promise, which you have all signed and ask that you try to walk to school or use Pets at Home for Parking. On Tuesday, when it was raining we have received a complaint from a resident that their car was hit. Cars are now parking on/round the corners and on the pavement. This is a concern as the children need to walk on the pavements and be able to safely check the road for cars. Please follow the Parking Promise and park safely and show respectful behaviour to our local residents.

SECRET GARDEN

We have been developing the Secret Garden area in school so that it is a spiritual space for quiet and reflection time. We would like to say a huge thank you to Rick Cowling for generously supporting us with this and donating his time and plants to make the area a special place at no cost. Thank you.

SCHOOL PHOTOGRAPH DAY

Thursday 23rd September is school photograph day, so can all children please come to school in uniform on that day even if it is a PE day. Children can have their individual photographs and photographs with siblings too if they attend our school on that day.

PARENT ANXIETY TRAINING

North Lincolnshire adult education are running 'Supporting Your Child's Anxiety' workshops for parents/carers of KS1/KS2 children. Follow the link below to find out more information and book a place.

HELP PLEASE

If you have any lego, which you no longer use, we would welcome it in school to use with the younger children in classes. Please let the school office know or drop it at the gate in the morning. Many thanks.

In a morning when children have been dropped off, can I please ask that you move away from the gate area, so that it does not become congested as other children are arriving for school and it is often busy.

COVID-19

We still have cases of COVID-19 with families and staff and are following all the current government guidance. If your child has symptoms please inform us and take them for a PCR test to confirm if they are positive. If your child is positive they need to self-isolate for 10 days and work can be provided for them from school if they are well enough to complete this. Children under 18 do not need to self-isolate if a member of their household is positive, but a PCR test is advised for them. Over the summer NHS track and trace have taken over responsibility for tracking positive COVID cases and informing contacts if they need to isolate. The SLT email will still be checked out of school hours if you need to contact us with a positive COVID case. slt@stpandstp.org.uk and the school office and admin@stpandstp.org.uk email is open from 8.30am to 4pm each day.
