Newsletter: Friday 21<sup>st</sup> January 2021

### **COVID-19**

As predicted in my last newsletter we have seen an increase in cases over the last week with staff and pupils. Following guidance from public health we have implemented a series of measures to try and stop the spread of the virus and one class has had to return to a bubble. We will keep you updated on cases in your child's class on a daily basis, but please can we ask that you be vigilant with watching out for symptoms and testing where needed. When children are absent from school due to COVID we will ensure work is loaded onto Google Classroom for them to complete at home during their isolation period, if they are well enough.

### **MINI FIRST-AID**

This week Years 3 – 6 have taken part in mini-first aid sessions and have learnt how to respond in different scenarios, knowing what to say and do, how to call 999 and treat a range of conditions. Ask your child what they have learnt this week – skills for life that could make a huge difference!

### **NON-UNIFORM DAY**

This year we are working with an organisation called Mission Aviation Fellowship (MAF), who are a Christian charity that support people and communities across the world, especially in remote areas. They fly light aircraft into areas to provide medical care and emergency relief. Follow the link to find out more <https://www.maf-uk.org/>. We will be holding a non-uniform day on Friday 11<sup>th</sup> February to help raise money for the charity – please bring a donation on the day.

### **SQUARES BOARD**

Thank you for all your support with the Christmas Squares Board – we raised £760, which will be used to partly fund the new equipment for outdoor play for all the children to enjoy.

### **MATHS APP**

White Rose Maths have just released a new, free App called 1 minute maths. You should be able to use the App on a phone or tablet. The App is split into 3 main sections: Subitising, Addition and Subtraction. Each section has a range of activities that link in with some of our maths learning across school.

### **CHILDREN SHINING THEIR LIGHT**

If children have earned certificates, medals and trophies outside of school, they are welcome to bring them in to show their community on a Wednesday morning from Wednesday 2nd February, so that we can celebrate where children have been 'shining their light brightly' outside of school.

### **WOW DAYS**

It has been great to see Year 1, 2, 3 and 4 children dressed up and enjoying hands on practical learning linked to their topics over the last two weeks. Memorable experiences help children to remember key knowledge and skills. Thank you for all your support with the fantastic costumes.

### **SLEEP WOKSHOP**

Is your child struggling with sleep? If so there is a 2 hour workshop delivered by KIDS SEND Sleep Service available. Sleep practitioners will give you a basic awareness of children's sleep and look at how you can support with a range of strategies. To find out further information and book a place contact [claire.earley@kids.org.uk](mailto:claire.earley@kids.org.uk)

## ATTENDANCE

We are committed to providing high quality education for all our children. In order for a child to reach their full potential, we expect a high level of school attendance. Holidays in term time are unauthorised, unless in exceptional circumstances and referred to the Education Inclusion Service, who may issue a Penalty Notice.

## FREE SCHOOL MEALS

Free school meals are offered to children of families who receive one of the following: Universal Credit with an annual net earned income of no more than £7,400, Income Support, Income-based Job Seekers Allowance, Income-related Employment and Support Allowance, Support under Part 6 of the Immigration and Asylum Act 1999, The guarantee element of Pension Credit, Working Tax Credit run-on (paid for the four weeks after you stop qualifying for Working Tax Credit), Child Tax Credit (with no Working Tax Credit) with an annual income of no more than £16,190.
