COVID-19

We are still seeing a number of cases of COVID-19 with children and staff, we are working with public health on a daily basis to monitor cases and follow their advice to try and stop the spread of the virus. So far this term three classes have had to return to a bubble. We will keep you updated on cases in your child's class on a daily basis, but please can we ask that you be vigilant with watching out for symptoms and testing where needed. When children are absent from school due to COVID we will ensure work is loaded onto Google Classroom for them to complete at home during their isolation period, if they are well enough.

MINI FIRST-AID

This week Reception, Year 1 and Year 2 have taken part in mini-first aid sessions and have learnt how to respond in different scenarios, knowing what to say and do, how to call 999 and treat a range of conditions. Ask your child what they have learnt this week – skills for life that could make a huge difference!

PAINTING LINCOLNSHIRE COAST

Year 2 to Year 6 have taken part in a paint mixing activity linked to the Lincolnshire coast line. They have collaborated in an animation and the final results can be seen here, please have a look at the spectacular final product!

REMINDER

A reminder that toys, stationery and pencil cases etc from home should not be brought into school. We have sufficient resources to ensure all children have access to what is needed for learning. Bringing things in from home can cause problems – so please keep them at home. Thank you.

Y4 MULTIPLICATION TEST

In June Year 4 children across the country will sit a statutory multiplication test. Mrs Rhodes will be holding a meeting for parents to explain more on Monday 28th March at 5pm. For children in all year groups learning your times tables underpins most aspects of the maths curriculum, so please practice at home and use TT Rockstars with your children.

NSPCC NATIONAL NUMBER DAY

Today we taking part in the NSPCC (National Society for Prevention of Cruelty to Children) thank you for your donations we have raised £92.17 for the charity. The children have taken part in extra number activities today in school – please see Twitter for photographs.

NON-UNIFORM DAY

This year we are working with an organisation called Mission Aviation Fellowship (MAF), who are a Christian charity that support people and communities across the world, especially in remote areas. They fly light aircraft into areas to provide medical care and emergency relief. Follow the link to find out more <https://www.maf-uk.org/>. We will be holding a non-uniform day on Friday 11th February to help raise money for the charity – please bring a donation on the day.

SCHOOL VISITS

It has been great news this term that we have been able to resume some of our school trips and experiences which enhance our curriculum. The Year 3 and 4 children enjoyed visiting the churches of St Paul's and Ashby Wesley to learn about their similarities and differences as Christian churches. A group of children represented the school at cross country this week and did us all proud, as well as another group visiting the EIS stadium in Sheffield.

There are many ways to get in touch.
