AFTER SCHOOL CLUBS

The last week of after school clubs for this term is next week, the last club will run on Friday 15th July 2022. The children have had a great range of clubs this year covering sports, fitness, music, arts, outdoors, languages, computing and academic learning – all of which supplement our in school curriculum and provide them with further opportunities. Thank you to all the staff who deliver these in their own time.

YEAR 6 LEAVERS

On Tuesday 19th July Year 6 will be holding their leavers performance for their parents and families and we will be wishing them all the best in the next chapter of their education. The performance and presentations will start at 1.30pm in the school hall for Year 6 families.

After school they will be celebrating together with party food and games from 4.00pm to 5.30pm. Please complete the google form which was sent out to confirm attendance and how your child will be walking home. We currently only have 20 completed out of 42.

NEW CLASSES

Today the children have met their new class teachers and children in their new classes. They will also be spending time in their new classes on Monday 11th July and Thursday 14th July to ensure a smooth transition in September.

RECEPTION TOPIC ASSEMBLY

On Tuesday 12th July Reception children will be performing their end of topic assembly for their parents. The assembly will start at 2.30pm in the school hall – please come along if your child is in Reception.

STAFF LEAVERS

At the end of the school year we will be sad to say goodbye to Mrs Algar and Mrs Amey, who are both leaving us to move onto other roles working with children. Miss Storey will also be leaving us to start her maternity leave – we wish them all the best in their new ventures.

FREE SCHOOL MEALS

Children in Reception, Year 1 and Year 2 are all entitled to a free school meal as part of the governments universal infant free school meal programme. Children in Year 3 – 6 have to apply for free school meals. All parents/carers can apply for free school meals in any year group as there are other benefits other than the free school meal. The school receives extra money into the school budget and the eligible families currently receive vouchers for food through the holiday periods. Please check, via the link below, to see if you are eligible, which ever year group your child is in, and especially if your child is moving from Year 2 into Year 3 in September.

SCHOOL RESULTS

Statutory assessments take place in Reception, Year 1 phonics, Year 2, Year 4 multiplication tests and Year 6. We are delighted with how well the children have done in these assessments and are pleased to say that the school results are above national and local averages in all areas where we have comparative data. This is due to the great support we receive from yourselves, how hard the children work and a dedicated staff. Thank you everyone for the difference you make, to give the children the chance to shine their lights as brightly as possible.

There are many ways to get in touch.
