SPARE CLOTHES FOR RECEPTION

We're really running low on spare clothes for the children after they have had an accident. If you have any Year 1 and Year 2 sized clothes including P.E. Kits (joggers, leggings etc.) we would really appreciate it if you could send them into school for the Reception team.

SCHOOL OF NATURE

We have been awarded a 'School of Nature' certificate for Reception children taking part in the RSPBs Big Schools' Birdwatch 2025. Next we will be working towards the RSPB Wild Challenge award, which involves helping wildlife and exploring nature.

WIDER CURRICULUM

It has been a busy few weeks in school at the start of this year, with lots of events happening outside of normal lessons, which enhance our curriculum for the children. GetAhead have led Circus Skills sessions with some classes. Mrs Skateboard aka Eleanor has led skateboarding or scootering skills with some classes. As part of inter-faith week children have met visitors from a range of faiths to develop their understanding and respect for other faiths. All the Spring term clubs are underway – with lots of great things happening for fitness, music and creative opportunities. We also have had our curriculum WOW days for Year 5 and 6 linked to their topic of Ancient Maya, Year 3 and 4 linked to their topic on weather and climate and Reception are celebrating Chinese New Year today. All to bring the children's learning to life.

PARENTING CLINICS

Anisha Lewis positive parenting clinics are offering a free session on February 11th at 12.30pm focusing on screen time. The session lasts 30 mins and can be booked at <https://anisalewis.as.me/theclinic>

HEADLICE

We have had a small number of headlice cases reported to school this week. While this is a common occurrence in schools, it's important that we work together to address it promptly.

We kindly ask that you check your child's hair regularly and treat any cases immediately. Remember, early detection and treatment are key to preventing the spread. If you need any advice or support, please don't hesitate to contact our school office.

Thank you for your cooperation in helping us maintain a healthy learning environment for all our children.
